WHEREAS, Rogue Valley Sewer Services does from time to time assist others by sharing its equipment and labor and at such times need to be reimbursed for costs,

And, WHEREAS, Rogue Valley Sewer Services has a need to establish a general overhead rate that will be used as a basis for developing accurate costs for internal cost accounting purposes and for establishment of reimbursement rates for work done for others,

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the general overhead rate be set at \$10.32 per hour worked by an employee, regardless of that employee's job classification, and that equipment rental rates and labor billing rates be adopted effective as of July 1, 2019. BE IT FURTHER RESOLVED, that it is the intent of Rogue Valley Sewer Services to review the above rates annually and adopt new or revised rates annually, if needed, for each succeeding Fiscal Year.
